Materials: Clark's O.N.T. Knitting and Crochet Cotton or J. & P. Coats Crochet Cord. Milward's steel crochet hook No. 1 or 2. Contrasting colors are used, 1 ball of each color. Suggested combinations are: 84 Beige and 126 Spanish Red; 9 Yellow and 82 Autumn Glow; or 25 Crystal Blue and 68 Skipper Blue.

Begin by measuring off a piece of the lighter color thread 4 times the waist measurement plus 3 inches for lap. Do not cut. Then measure this same length back and forth 35 or 40 times. Tie a strand of thread around each end, then fold this group of threads flat, into 4 lengths, tying a thread around the group at the folded ends. This will hold 35 strands in place so as to crochet over them. Then tie a double thread of contrasting color to one of the cut ends and make a loose s c over the 35 strands of thread. Then * ch 3, and make another s c over this group of threads. Repeat from * for one-fourth

the length (that is as far as the first tie), then turn the stranded cord and work about 3 s c with ch-1 between to make the turn. Then ch 1, * 1 s c in center st of ch-3 of previous row, ch 3, and repeat from * across. Continue working back and forth in this way. To finish off the lower side of belt, make a sl st into lower part of 1 st s c, * ch 3, sl st into lower part of next s c, and repeat from * to end of belt. Fasten the cut ends of the belt and sew on buttons. Make buttonhole loops at the other end.

TYROLEAN GAUNTLET GLOVES—no. 77

Materials: Clark's O.N.T. Knitting and Crochet Cotton, 1 ball of color 106 Sport Green and 1 ball of 26 Nile Green; or J. & P. Coats Crochet Cord 3 balls of color 106 Sport Green and 2 balls of 26 Nile Green. Milward's steel crochet hook No. 4. 5 steel knitting needles size 10.

The hands of the gloves are knitted and the cuffs crocheted.

Hand. Cast on 52 sts on 4 needles (13 sts on each needle), and work around. **1st rnd:** K 1, p 1, k 1, p 1 (the k st between the p sts is the beginning of the thumb gore, and the p sts are to be purled every rnd), and k to end of rnd. **2nd rnd:** K 1, p 1, increase 1 st in the knitted st, p 1, k to end of rnd. **3rd rnd:** K 1, p 1, k 2, p 1, k to end of rnd. **4th rnd:** Work even. **5th rnd:** K 1, p 1, increase 1 st in each of next 2 knitted sts, p 1, k to end of rnd. Continue working, increasing 1 st in the sts next to the p sts in every 3rd rnd for 4 times, then every 4th rnd for 2 times (there should be 16 sts between the p sts in thumb gore). Slip these 16 sts to a thread, and at end of needle before thumb gore, cast on 4 sts. Join the rnd and k even for 16 rnds, having 55 sts in the rnd. **First Finger.** Sl the last 9 sts from back of hand to a needle, take the next 8 sts from front on a 2nd needle, and run all remaining sts on a thread. At the end of the 8 sts, cast on 4 sts, join, and work 2 rnds even. **3rd rnd:** K to the 4 cast on sts, k next 2 sts together (a decrease), k 1 st, 1 decrease. **4th rnd:**

K even. **5th rnd:** K to the cast on sts, 1 decrease (18 sts on needle). **6th to 22nd rnds incl:** Work evenly. **23rd rnd:** K 7 sts, 2 decreases, K 3, 2 decreases. **24th rnd:** * K 1, 1 decrease. Repeat from * until 6 sts remain. Draw together by running thread through sts and fasten off inside of tip.

Second Finger. Take 7 sts from each end of thread, pick up 4 sts on the sts cast on for 1st finger, and on other side, next to end of thread, cast on 4 sts. Join and k 2 rnds even. **3rd rnd:** K even to the cast on sts and make 1 decrease. K even for 23 rnds, then narrow as on 1st finger. **Third Finger:** Take 6 sts from each end of thread, pick up 4 sts on the sts cast on for second finger, and on the other side, next to end of thread, cast on 4 sts. Join and k 2 rnds even. **3rd rnd:** K even to the cast on sts and decrease once. K even for 20 rnds, then decrease as for other fingers. **Fourth Finger.** Take the 12 remaining sts from thread and pick up 4 sts on those cast on for 3rd finger. K 2 rnds even. **3rd rnd:** On the cast on sts, make 1 decrease, k to end of rnd. K 17 rnds even, then decrease as for other fingers.

Thumb. Sl the thumb sts to 3 needles, and on the cast on sts pick up 6 sts and k 2 rnds even. **3rd rnd:** K to the picked up sts, and decrease twice, k to end of rnd. **4th rnd:** K even. **5th rnd:** K to the decrease sts, and decrease once, k to end of rnd. K even for 16 rnds, and narrow same as other tips. Make another hand just like this one, being careful to have

the thumb on the other side of the glove, so that both gloves will not fit the same hand.

Gauntlet Cuff. Take up your crochet hook, and attach the Sport Green to the finished edge of the knitted hand at the st directly above the little finger. **1st rnd:** S c in each st. Join with sl st to 1st s c made. **2nd rnd:** S c in each s c. Join. Do not break off. Attach Nile Green. **3rd rnd:** With Nile Green, make * half d c in each of next 2 sts of previous rnd, half d c in next st of 1st rnd (thus working over the s c of the previous rnd). Repeat from * to end of

rnd and join with sl st to half d c first made. Do not break thread. **4th rnd:** With Sport Green make s c in each st. Join with sl st to 1st s c made. **5th rnd:** Make s c in each s c and increase 4 sts in the rnd, spacing increases evenly (to increase make 2 s c in s c of previous rnd). Join with sl st to 1st s c made. Do not break off. **6th to 23rd rnds incl:** Repeat 3rd, 4th and 5th rnds in order. **24th rnd:** Same as 3rd rnd. **25th rnd:** Same as 4th rnd. **26th rnd:** S c in each s c. Join. Do not break off. **27th rnd:** Same as 3rd rnd. **28th rnd:** Same as 4th rnd. **29th rnd:** Same as 26th rnd. **30th rnd:** Same as 3rd rnd.

V COLLAR—no. 57

With Red, ch 102 loosely, to measure about $15\frac{1}{2}$ inches, turn. **1st row:** D c in 3rd ch from hook, 1 d c in each st of foundation ch (101 d c in all), ch 3 (to count as 1 d c at beginning of next row), turn. **2nd to 12th rows incl:** D c in each d c of previous row, ch 3, turn. **13th row:** 2 d c in 1st d c (this is an increase), 1 d c in each of the next 49 d c, making 3 increases at regular intervals. In the 51st st make 2 d c with ch-2 between, 1 d c in each of the next 49 d c, with 3 increases at regular intervals, ending row with 2 d c in last d c, ch 3, turn. **14th to 22nd**

rows incl: Same as 13th row, but make 2 d c with ch-2 between over ch-2 of previous row. Do not make increases one over another of previous row. Break off. Attach White, ch 3, turn. **23rd to 26th rows incl:** Same as 14th row working with White. Break off. Attach Red, ch 3, turn. **27th and 28th rows:** Same as 14th row, working with Red. Break off. TUCKED BERET

—no. 37

Materials: Clark's O.N.T. (12 balls) or J. & P. Coats (8 balls), Mercerized Crochet, Size 10. Milward's steel crochet hook No. 3.

Use thread double throughout. To begin, ch 5, join with sl st to form ring. **1st rnd:** 8 s c in ring. **2nd rnd:** 2 s c in each s c of previous rnd. **3rd rnd:** * 1 s c in next s c, 2 s c in next (this is an increase). Repeat from * around. **4th rnd:** S c in each of next 3 s c, then 1 increase, and continue around, making about 6 increases to this rnd. **5th rnd:** Work in this manner, but do not place increases directly over increases of previous rnd. To keep work flat, about 5 or more increases to a rnd are necessary. When work measures 9 inches in diameter, continue without increasing for 4 rnds. For the next $1\frac{1}{2}$ inches decrease 4 sts in each rnd (to decrease skip next s c and make s c in following s c) or until inside measurement of beret is your headsize. Then work without increasing or decreasing for 2 inches. Fasten off. Make 3 or 4 vertical tucks in the back for trimming, and drape to suit.

Scarf Collar—no. 2099

(Continued from page 17)

d c in same d c of previous row, repeat from * till corner. In corner make 2 patterns, then continue along other side. At next corner break and fasten thread. Attach Navy in 4th row from last, and work another trimming row, parallel to first trimming row. Drape around neck as illustrated and sew on snap fasteners. Sew on buttons with Navy.

Glove with Lace Cuffs—no. 219

(Continued from page 14)

row, * ch 1, d c in next sp, and repeat from * to end of row (40 sps in all). When the 7th row is completed, ch 5 and join with a d c to 1st sp of same row to close up opening, and work in rnds, making 3 sps over this ch-5 (43 sps). **8th to 16th rnds incl:** * ch 1, d c in next sp, and repeat from * around. **17th rnd:** Lay work down, having opening in center and work sps (about 5 sps from center opening for left hand glove) toward folded edge, then ch 15, skip 8 sps, d c in 9th sp, * ch 1, d c in next sp, and repeat from * around, making 8 sps over ch-15 (43 sps). **17th to 26th rnds incl:** Same as 8th rnd (43 sps in rnd).

Fingers. Forefinger should be directly above thumb opening. Work across 6 sps from outside edge of finger, ch 5, cross over to inside of glove and make 1 d c in 6th sp from outside edge, then * ch 1, d c in next sp, and repeat from * around (making 4 sps over ch-5) until there are about 15 rnds (16 sps). Try on, and if too short, continue working till length desired. It is better not to have the fingers too long. Draw top together and finish off.

Middle Finger. Attach thread to bottom of forefinger at back of glove and work across 6 sps, ch 8, cross to palm side of glove, and make 1 d c in 6th sp from forefinger. Work across these 6 sps, then over sps between fingers, and continue around until there are about 17 rnds. Finish off as before.

Ring Finger: Same as middle finger until there are about 16 rnds. **Little Finger:** Same as forefinger until there are about 13 rnds. **Thumb.** Attach thread, and work around thumb opening until there are about 14 rnds (17 sps). Finish off as before.

Finish Opening. Attach thread to 1st sp at palm on little finger side. **1st row:** 3 d c in 1st sp of opening, * 2 d c in next sp, and repeat from * to end of opening. Ch 1, turn. **2nd row:** S c in each d c of one-third of opening, then ch 4 (or more depending on size of buttonhole desired), skip 4 s c, s c in each d c of one-third of same opening, make another buttonhole as previous one, and complete by making s c in each d c to end. Ch 1, turn. **3rd row:** S c in each s c, and 5 s c (or more) over each buttonhole. Work other side of opening same as this, but with no buttonholes.

Cuff. Attach thread to 1st sp at opening at wrist **1st row:** 2 s c in each sp to end of row. Join with sl st to 1st s c, thus closing opening. Hereafter work in rnds. **2nd rnd:** Ch 4, * skip 3 s c, d c in next s c, ch 3, 3 d c around d c just made, repeat from * to end of rnd. Join with sl st to point at ch-3 of 1st shell (20 shells in all). **3rd rnd:** * ch 4, s c in point of next shell, repeat from around (20 loops). **4th rnd:** Make 5 s c over each ch-4 to end of rnd. **5th rnd:** * ch 6, skip 3 s c, s c in next s c, repeat from * until 23 loops are made, then ch 6, s c in 1st loop. (Since the number of loops must be divisible by 3, there must be 24 loops in all in this rnd) **6th rnd:** * 3 d c in next loop, ch-3 p, 3 d c in same loop, s c in next loop, ch 6, s c in next loop, repeat from * around completing last group of shells, and s c in last loop (8 groups of shells in all). **7th rnd:** * ch 6, s c in center d c of 3-d c just before p of group of shells, ch 6, skip p, s c in center d c of 3-d c after same p, ch 6, s c under next loop. Repeat from * around. **8th rnd:** Same as 6th rnd, thus having groups of shells over each other. **9th to 28th rnds incl:** Repeat 7th and 8th rnds alternately (12 shells deep). **29th rnd:** * ch 6, s c in center d c of 3-d c just before p of group of shells, ch 6, skip p, s c in center d c of 3-d c after same p, ch 6, s c under next loop (thus increasing 1 loop), repeat from * around. **30th rnd:** * 3 d c in next loop (which is directly over group of shells), ch-3 p, 3 d c in same loop, s c in next loop, ch 6, s c in next loop, ch 6, s c in next loop, repeat from * around. **31st to 38th rnds incl:** Work in pattern as usual always keeping groups of shells over groups of shells (17 shells deep). If longer cuff is desired add a few more rnds. After the last rnd of shells is completed, finish off the edge by a rnd of ch-6 loops with a ch-3 p at center of each loop.

Stiffen cuff with gelatine or starch.

Monte Carlo Gloves—no. 2097

(Continued from page 15)

make 5 sps, ch 2, 2 d c with ch-2 between in next sp (thus starting thumb), 30 sps, ch 2, 2 d c in next sp, ch 2, 2 d c in same sp (1 shell), ch 2, skip 1 sp, shell in next sp, and work around with ch 2 sps.

6th rnd: Make 2 d c with ch-2 between in sp of increase of previous rnd. 6 sps, increase over next increase, and continue in ch-2 sps, skip the sp just before 1st shell, ch 2, make shell over shell, ch 2, shell over next shell, ch 2, skip next sp, and work around in ch-2 sps. **7th rnd:** Same as 6th rnd but do not skip a sp before and after the shells and also make 7 sps between the increases (instead of 6 sps). **8th to 16th rnds incl:** Repeat 6th and 7th rnds alternately, working increase over increase and shell over shell (having 1 sp more in each rnd). **17th and 18th rnds:** Work as before omitting increases for thumb.

Thumb: Work sps from sp directly above 1st increase of thumb to 2nd increase, ch 10, and make 1

d c in sp directly above the 1st increase, and work around for thumb, having 21 sps. **2nd and subsequent rnds:** Work sp over sp in spiral until thumb is 1 rnd less than desired length (about 17 rnds). It is better not to have thumb and fingers too long. * Then work 1 d c in each sp (omitting ch-2's), then 1 s c in each d c, and then skip 1 s c, s c in next, work around in s c's until no s c's are left. Breakoff*.

Palm. Join thread to top of d c where ch-10 was made and work around and around until there are 22 rows of shells. Hereafter work sps omitting shells until when glove is tried on, it reaches to the base of fingers.

Fingers. Put glove on and mark fingers by putting a safety pin on palm and back of hand between each finger. **Forefinger.** Work ch-2 sps around making ch 8 to join the loops together which were held together by a pin between forefinger and middle finger. Do not remove pin. Work in spiral (making 3 sps over ch-8) for about 18 rnds, or until 1 rnd less than desired length. Then repeat from * to * of thumb. **Middle Finger.** Attach thread to sp at pin on palm side between ring finger and middle finger. Work sps across, making d c in loops where previous pin is, 3 sps over ch-8 between fingers, ch 8, d c in sp where same pin is on back of hand, work sps across, making ch 8 to join the sps together that have been held together by the pin between middle finger and ring finger. Work in spiral over sps until 1 rnd less than desired length. Then repeat from * to * of thumb. **Ring and Little Fingers.** Same as forefinger and middle finger.

Cuff. **1st rnd:** Attach thread to 1st s c at wrist, ch 4 (to count as tr), tr in same s c from which ch-4 started, ch 2, 2 tr in same s c, * skip 5 s c, 2 tr in next s c, ch 2, 2 tr in same s c (another shell made), repeat from * around (24 shells). Entire cuff is worked in spiral in shells. **2nd and 3rd rnds:** Make shell over 1st shell, * shell over next shell, repeat from * around. **4th, 5th and 6th rnds:** Shell over shell with ch-1 between each shell. **7th to 18th rnds incl:** Work shell over shell of previous rnd increasing 1 ch between shells every 3 rnds, making 5 ch between shells in the last 3 rnds. **Next rnd:** * D c in ch-5 sp, ch 3, 5 d c over the d c just made. D c in ch-2 sp of shell, ch 3, 5 d c over the d c just made. Repeat from * around, then break off.

Make other glove to correspond reversing position of thumb.

Lattice Loop Gloves—no. 2075

(Continued from page 14)

3rd rnd: * Make 1 lattice loop, making s c in center of next lattice loop (between 2 p's) of previous rnd. Repeat from * around. **4th to 11th rnds incl:** Like 3rd rnd. **Shaping for Thumb:** **12th rnd:** Make 1 lattice loop, make another lattice loop but put s c in same loop as previous s c (this is an increase), 3 lattice loops, 1 lattice loop putting s c in same lattice loop as previous s c. Work lattice loops around with no more increases. **13th and 14th rnds:** Like 3rd rnd. **15th rnd:** Like 12th rnd, making

increases in lattice loops directly over increases of 12th rnd. **16th to 19th rnds incl:** Like 3rd rnd.

20th and subsequent rnds: Work lattice loops as far as 1 loop beyond 1st increase of thumb, then make 2 p's, skip next 6 lattice loops (which are between the 2 increases of thumb), s c in next lattice loop (thus separating thumb from hand). Work lattice loops around and around the hand part of glove until when tried on it reaches to the base of fingers.

Fingers: Put glove on and mark fingers by putting a safety pin on palm and back of hand between each finger. **Forefinger.**

Make lattice loops over lattice loops, making 2 p's to join the loops together that have been held together by a pin between forefinger and middle finger. Do not remove pin. Work in spiral for about 14 rnds, or until length desired. It is better not to have fingers too long. Draw tip together by making a s c in each loop. Fasten and break off. **Middle Finger.** Attach thread to loop at pin on palm side between ring finger and middle finger. Work lattice loops across making s c in loop where previous pin is, s c in loop where same pin is on back of hand (no loop between), make lattice loops across making 2 p's to join the loops together that have been held together by the pin between middle finger and ring finger. Work in spiral making lattice loops until length desired. Fasten as before. **Ring and Little Fingers.** Same as forefinger and middle finger. **Thumb.** Attach thread to a loop on palm side of hand and work as for fingers. **Gauntlet.** **1st row:** Attach thread in loop to left of center on palm side, and work across but do not join to beginning but make 3 p's to turn. Entire gauntlet is worked in rows. **2nd row:** S c in next loop, 3 lattice loops, * in next loop make: 1 s c, 3 d c, 3 tr, 3 d c, 1 s c. Make 2 lattice loops and repeat from * across. Make 3 p's and turn. **3rd row:** Lattice loops across making 2 loops on each shell of previous row. **4th to 11th rows incl:** Lattice loops across. **Gauntlet Edging.** Attach thread to 1st sp at opening of gauntlet. **1st row:** * Ch 5, s c in next lattice loop. Repeat from * around. Turn. **2nd row:** * Ch 10, sl st in last s c, ch 1, turn and make 18 s c in ring, turn ring, 6 s c over each of next 2 loops, repeat from * around.

Right Hand. Make the same as for left hand, only being careful that the fingers are made to correspond with the right hand.

Do not remove pin. Work in spiral for about 23 rnds, or until $\frac{1}{2}$ " less than desired length. It is better not to have fingers too long. * Then make 1 rnd of ch-4 loops, 2 rnds of ch-3 loops, 1 rnd of ch-2 loops, 1 rnd of ch-1 loops, then skip every other loop until edges are brought together. Break off *.

Repeat rnds 3, 4 and 5 consecutively up through 13th rnd. Leave opening at forefinger side for thumb. From here on turn at end of each row but follow pattern, up through 23rd row. On next row, close opening and continue in spiral rnds as far as wrist, repeating rnds 3, 4 and 5 consecutively and ending with 5th rnd. Whip thumb to opening, adjusting carefully.

For Long Glove. Continue 3rd, 4th, 5th rnds consecutively for 9 inches, ending with 5th rnd and finish as follows: * Ch 3, skip 1 sp, 5 tr in next sp with ch-3 between each tr, ch 3, skip 1 sp, s c in next sp, and repeat from *.

For Ruffled Gauntlet Cuff. Make 1 d c in each sp at wrist line, ch 2, 1 d c in same sp, ch 2, and repeat around. Then continue with pattern starting with 3rd rnd of palm, then 4th and 5th, working these 3 rnds consecutively for 2 inches. Finish edge as for long glove.

CROCHET STITCHES and how to make them

Chain (ch). Make loop in thread, insert hook in loop, and draw main length of thread through. Continue to draw thread through each new loop formed until length desired.

Single Crochet (s c). Insert hook under 2 loops of st, draw thread through st (2 loops on hook), thread over hook, draw through the 2 loops.

Half Double Crochet (half d c). Make like d c until there are 3 loops on hook; then thread over and draw through all 3 loops.

Double Crochet (d c). Thread over hook, insert hook in st, and draw thread through (3 loops on hook), thread over hook, draw through 2 loops, thread over, and draw through the 2 remaining loops.

Treble (tr). Thread over hook twice, insert hook in st and draw thread through st (4 loops on hook), thread over, draw through 2 loops, thread over, draw through 2 loops, thread over, draw through remaining 2 loops. For a **Double Treble (d tr)**, thread over hook 3 times; and for a **Triple Treble (tr tr)**, thread over 4 times, taking off 2 loops at a time as in the tr.

Slip Stitch (sl st). Insert hook through st, catch thread, and, with one motion, draw through both the st and the 1 loop on hook. The sl st is used for joining, or when an invisible st is required.

Picot (p). Make a ch of 3, 4, or 5 sts, according to length of p desired, and s c in the foundation, or in the 1st st of ch.

Cross Stitch. Thread over twice, insert hook in st and draw thread through as for a tr (4 loops on hook), thread over, and draw through 2 loops, thread over, skip 2 sts, insert hook in next st, draw thread through (5 loops on hook), thread over and draw off 2 loops at a time 4 times, ch 2, 1 d c in the center point of the cross, thus completing the cross.

Cluster. Make 3 or more tr in the same st, always holding the last loop of each tr on the hook; then, thread over hook and take off all remaining loops. A tight ch st should then be made to fasten the cluster.

Knot Stitch. Draw a loop on hook out $\frac{1}{4}$ inch, draw thread through, making a ch st of it. Put hook between loop and single thread of this ch and make an s c. Work another similar knot st, skip 4 sts of preceding row, 1 s c in next. Repeat from the beginning to end of row. Make $2\frac{1}{2}$ -inch knot sts to turn, 1 s c over double loop at right of 1st center knot of preceding row, 1 s c over double loop at left of same knot, 2 knot sts and repeat.
